**phyto**balance series  
dietary supplements

Keep your physical and mental performance!

## **ProAge**balance

**ProAge**balance is a great product, designed to help you keep your youthful image and to stay on top of things mentally!

The natural ingredients ginseng, ginkgo biloba and schisandra berry are all well-known herbal supplements traditionally and widely used to:

- increase concentration
- heighten mental acuity
- improve memory
- balance energy levels and
- stress relief

**ProAge**balance is an all-natural and safe product. Known ingredients and traditionally used for centuries!

## **Shape**balance

**Shape**balance is known, through its high quality L-Carnitine, to facilitate the metabolism of long-chain fatty acids and aid the process of fat burning. Our body needs L-Carnitine to:

- transport fatty acids into the mitochondria
- breakdown fat
- release energy from fat

Help your body to stay in shape from the inside out!

Supports fat burning and the metabolic rate for a shapely body

# Hepa**balance**

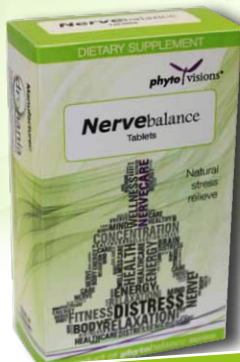

**Hepa**balance is an high quality artichoke leaf extract product. Traditionally artichoke leaf has been used since Roman times. Most recent studies show that artichoke leaf is helpful for:

- bile increasing
- hepatoprotective
- blood fat metabolism
- cholesterol-reducing
- diuretic
- healthy digestive system

**Hepa**balance helps to maintain a healthy digestive system even when eating fatty or drinking alcohol! **Hepa**balance is an all-natural and safe product.

For active and healthy liver and gall functions!

Natural stress relieve

# Nerve**balance**

**Nerve**balance naturally promotes a peace of mind and mental balance to help you stay focused and relaxed in stressful situations. The traditional herbs valerian, hop and melissa effectively:

- calm nervousness
- fight stress
- induce sleep and
- promote deep sleep

**Nerve**balance is non drowsy. Non addictive. All natural and safe. Known ingredients and traditionally used for centuries!
